

**MONTAGE™ CORDLESS**

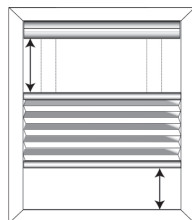

We are thrilled to announce that Montage™ shades are now available with cordless option. Cordless shades offer ease of operation, easier installation and are a child/pet safe solution.

**FUNCTIONAL BENEFITS:**

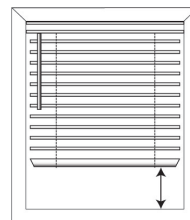

- Smooth operation allows the user to hold the shade at any position.
- No accessible cords, no tension device or chain breakage
- Available with standard headrail and Cassette 100 option
- Smaller light gaps compared to chain drive systems

**CBM CORDLESS PRODUCT RANGE:**

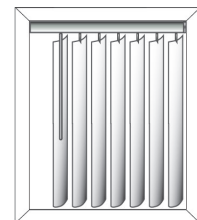

Roller Shades

Cellaris Honeycomb Shades

Horizontal Blinds

Vertical Blinds

Please contact our customer service at [@sales@cblind.ca](mailto:@sales@cblind.ca) to book an appointment for demonstration and training on our new motorized products as well as cordless hardware. Samples with carrying handles are also available, please contact customer service for pricing and/or details.
