## RECHARGEABLE WAND

We are excited to announce our new Rechargeable Wand Motor with improved noise performance, lift capacity and operation.

Other key features are as following,

- Easier access for hard to reach treatments
- Built in Rechargeable Li-Ion Battery
- Quiet design with slow start/stop
- Convenient charging port located on the switch wand
- Available with Left or Right Hand Control
- Available with Roller & Montage™ Designer shades
- Child safe
- User adjustable limits
- Able to accommodate shades upto 90"W x 108"H
- Wand control is available in 20" & 40" lengths
